If **FLEAS/TICKS** are found on your dog, an automatic flea/tick bath will be given. The minimum cost is **\$10** in addition to the price of our regular bath.

(This cost covers the special shampoo, time, and extra cleaning to insure no fleas/ticks are left active in our facility. This treatment will kill the fleas/ticks on your dog, but after leaving the salon your dog will not be protected from any fleas/ticks that may be present in your home or pet areas.)

If your dog has a history of biting or struggling during grooming please inform us at check in. There may be an additional **HANDLING FEE** at a minimum of **\$5**.

If your dogs coat is **MATTED**, it may need to be shaved down. We will only shave your dog with your permission. A minimum of **\$5** will be charged because of the time and additional blades needed. (A matted coat prevents air from reaching your dog's skin & may cause your dog to bite or scratch itself, resulting in irritated skin that does not heal properly. Shaving uncovers these conditions, as well as any other skin problems that may have developed from lack of grooming. It is difficult to shave down a matted dog without irritating the skin.)
